★ Sponsorship Opportunity ★

The conference is inviting sponsors and exhibitors

The Conference of Condensed Matter Physics 2023 will be hosted at Yangtze River Delta Physical Research Center in Liyang, China, from August 6 to 11, 2023. Eight hundred attendees are expected to participate. The conference not only provides an important opportunity for scientific researchers to present their work, but also offer an excellent stage for scientific enterprises from various fields to promote their latest scientific research equipment. Tailor-made benefit programs have been created to meet the needs of corporate at various contribution levels.
